

Cube Stapler

Part of a rapidly evolving stationery collection, Cube is an exercise in absolute minimalism. Stripped back to its bare essentials, Cube Stapler is made from zinc alloy, copper-plated and lacquered to finish. Subtle indents enhance the functionality of the piece. Robust design artefact for the modern desktop. Family also includes a Tape Dispenser, a Desk Tidy and a Pen. Presented in gift packaging.

Process	Made from zinc alloy, copper-plated, polished and lacquered to finish. Etched logo.
Year of Design	2015
